

Our Services

Dr. Roger Harden offers the following services:

- Diagnosis and Treatment of:
- Allergic Rhinitis
- Hay Fever
- Cedar Fever
- Asthma
- Hives
- Eczema
- Poison Ivy Rash and Other Allergic Skin Conditions
- Bee Sting Allergy
- Food Allergy
- Adults and Children

Diagnosis utilizes thorough discussion, physical examination, skin testing, and laboratory testing.

Treatment involves counseling and coaching on allergen avoidance, medications and immunotherapy ("allergy shots").
